## ILLINOIS COMMUNITY COLLEGE TRUSTEES ASSOCIATION

By: Jessica Nardulli & Tom Ryder

Legislative Update and Report prepared for *Illinois Community College Trustees Association* for the week beginning April 12, 2016. Additions and committee hearings are highlighted in yellow.

This is an updated legislative report removing many bills that were not heard in committee before the April 8 committee deadline (they will remain on our watch list, however). The General Assembly returns today with two weeks remaining to move bills through final reading in the chamber in which the bill was filed. Usually this time involves long hours of floor session on second reading (the amendment stage) and third reading (final action). However, many committees have been posted for hearing this week since the deadline for bills to pass out of committee has been extended for a lot of legislation.

Several reports indicate some hope on the budget front. Last week, the Republican Leaders of the House and Senate introduced legislation that would address the lack of FY 16 appropriation authority for certain social services. The Leaders also indicated possible revenue sources for the appropriation. Some commentators noted the legislation did not include language for any of the reforms requested by the Governor. Those same commentators read what was not part of the legislation as progress. Additionally, some legislators have become more publically vocal about addressing those areas not receiving funding this year – primarily social services and higher education. These words were cited as possible signs of progress or perhaps just hopeful thoughts. Only time will tell.

Provides that this examination shall constitute a secondary education program annual assessment for the purpose of implementing State assessments. Provides that the State Board shall take whatever may be appropriate ways and means, including a request for a federal waiver or waivers if required, to ensure that, should a waiver or waivers be granted pursuant to this request, no State assessments other than these 2 examinations may be administered to students in a secondary education program (instead of just providing that no State assessments other than these 2 examinations may be administered to students in a secondary education program). Provides that, notwithstanding the mandate to administer these 2 examinations, should the PARCC test continue to be required of Illinois high schools by federal mandate, the PARCC test shall continue to be administered to students in a secondary education program.
